## **FEEDBACK ANALYSIS AND ACTION TAKEN REPORT**

IQAC makes it a tradition to mandatorily collect feedback from stakeholders- students, alumni and parents. This is done by the feedback committee. It collects the feedback from different stakeholders and submits it to IQAC. After analyzing the whole data, the IQAC takes the further action with the consent of its members.

### **Objective:**

The objective of this exercise is to gauge the impact of all the efforts of the institution on the various stakeholders. The institution intends to enhance its benefits to reach all the stakeholders.

### **Methodology:**

- The Feedback of stakeholders is collected manually by circulating the Feedback Forms.
- The IQAC holds meeting at the end of the academic year to discuss on the various suggestions and prepare action taken report.
- The action taken report will be circulated among the staff members through the IQAC.
- Feedback is collected only from final year students

### **Analysis:**

The data is compiled and analysed through statistical tools.

General Action Plan after data collection and analysis

- Based on the Annual Feedback Action Taken Report plans for the next academic year will be prepared in the faculty meeting
- Department level meetings are also held to execute and implement the action plan.

### **Committee composition:**

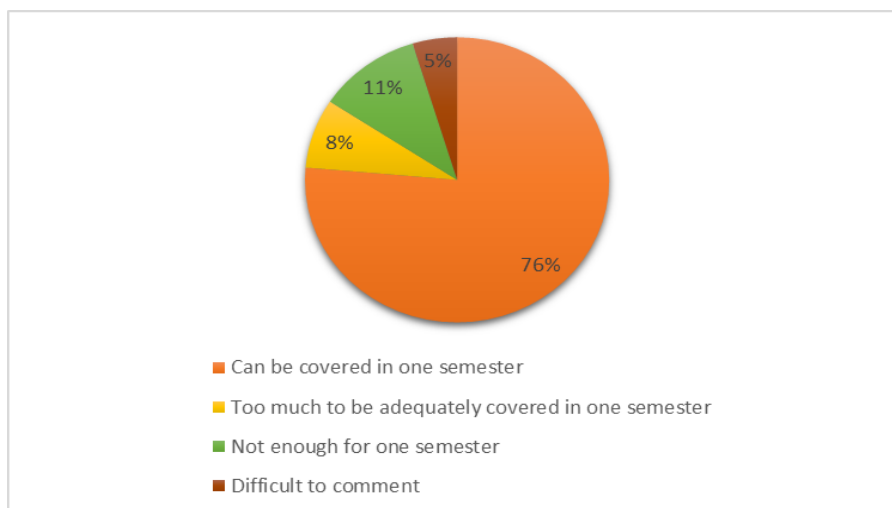

Feedback committee consist 4-5 members. One of them will act as convenor and others are to be members. Composition of committee may change as per direction of Principal.
