3.2.1. Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge (patents filed, published, incubation center facilities in the HEI to be considered)

The institution initiates for creation and transfer of knowledge through the following:

Literary Cell: Literary cell of the college was established to meet the growing demands of students who are keen to develop their speaking skills and personality by organizing workshop, linguistics classes etc. The Cell is shared by four language departments' viz. Hindi, Sanskrit, English, and Punjabi.

Literary Cell

Objective: To provide a platform to the students to express their hidden talents into words. To develop innovative power to express their thoughts, views and imagination.

Composition:- It may consist of 5 to 6 members including a convener.

Functions:-

- (i) To organize various competitions like storytelling, quizzes, spell competition, poem recitation, speech competition etc. to express their feelings.
- (ii) To inculcate love for language and enhance their creative writing skills.
- (iii) To organize competitions like paper reading and plays to enhance the communication skills of the students.
