Report Of The Event

On 17th October 2023, Poem Competition & Extension Lecture was organized by Literary Cell , Department of Punjabi & Sanskrit. Dr. Lalit Kumar Gaur was the chief guest on this event. He said that mother tongue is the language that a child gets to hear after birth and helps give a definite shape to our feelings and thoughts. Mother tongue or the native language is an essential aspect in one's upbringing as it shapes the way one expresses themselves to others. Mother tongue is vital in framing the thinking & emotions of people. Learning to speak in the mother tongue is very necessary for a child's comprehensive development. To improve the quality of education, language policies need to take account of mother-tongue learning. In the poem competition students express their thoughts by poem or song in their mother tongue.
